### DETAILED INFORMATION

#### 1. Forum agenda and program

The full Forum agenda is in the process of being finalized. The final version will be sent to participants and partners as soon as it is completed.

#### 2. Organizer

The Kosovo Chamber of Commerce (KCC) is the organizer of the Forum.

#### 3. Participant profile

The Forum aims to bring together a diverse range of participants, with representatives from international, regional and local institutions and organizations, as well as from the business community. Among the institutions and networks mentioned are ICC, the World Bank, Eurochambres, CLDP, GS1 Global and the Stuttgart Chamber of Crafts. At the regional level, participants include CIF, Balkan chambers, RCC and CEFTA, alongside local, regional and international businesses. The final number of participants has not yet been specified.

#### **4. Confirmed institutions and delegations**

According to the information currently available, regional participation/representation, ICC, Eurochambres, as well as representatives from Greece and Slovenia, have been confirmed.

#### **5. Priority economic sectors**

The Forum's economic focus will be concentrated on four key areas: energy, tourism, manufacturing and logistics.

#### **6. B2B meetings and Networking Corner**

As part of the Forum, a "Networking Corner" will be provided, a dedicated space where businesses and institutions will have the opportunity to hold direct meetings and establish contacts for cooperation.

#### **7. Registration criteria and procedure**

Participants must represent an institution or business. The registration form/link and complete instructions will be provided with the official materials.

#### **8. Registration deadline**

The final registration deadline has not been determined in the current information and will be communicated at a later stage.

#### **9. Participation fee and covered expenses**

There is no participation fee. The organizer covers hotel accommodation for one person per business or institution. Any other potential expense details have not yet been specified.

#### **10. Delegation from the Colón Free Zone**

Participation by institutional delegations is welcome. For such a visit, separate meetings with institutions and businesses may be organized with the aim of establishing contacts and concrete opportunities for cooperation.

#### **11. Working language and interpretation**

The conference will be conducted in English, with continuous interpretation.

#### **12. Accommodation, transport and logistics**

Guest accommodation is planned at Hotel Brezovica. Additional information regarding transport and logistical arrangements has not yet been specified.

#### **13. Promotional materials and registration**

Official promotional materials, as well as the registration form or link, will be sent to participants shortly.
